El Shaddai Consulting, LLC receives WBENC certification

Joins nearly 11,000 WBENC certified WBE's with national certification

Sterling Heights, MI, October 4, 2013, El Shaddai Consulting, LLC a business specializing in, organizational and professional development, received national certification as a Women's Business Enterprise—Great Lakes, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

The Women's Business Enterprise National Council (WBENC), founded in 1997, is the largest third-party certifier of businesses owned, controlled, and operated by women in the United States. WBENC is a national 501(c) (3) non-profit that partners with 14 Regional Partner Organizations to provide its world class standard of certification to women-owned businesses throughout the country. WBENC is also the nation's leading advocate of women-owned businesses as suppliers to America's corporations.

“Obtaining a WBENC certification is a significant milestone for a woman-owned business and I am honored to be among such an extraordinary group of aspiring women,” said Felicia G. Harris, President and CEO of El Shaddai Consulting, LLC.

About WBENC

The Women's Business Enterprise National Council (WBENC) is the leading advocate for and authority on Women's Business Enterprises (WBEs) as suppliers and vendors to the nation's corporations. Founded in 1997, WBENC is also the nation's leading third-party certifier of businesses owned and operated by women with nearly 11,000 WBENC-Certified WBEs. WBENC certification is a rigorous, multi-faceted business application and review process that is conducted by a trained Certification Review Committee to ensure that women - owned businesses applying for certification are 51 percent owned, operated, and controlled by a woman or group of women. This stipulation is a requirement on which WBENC was founded as a key service to Corporate Members interested in doing business with women-owned businesses. WBENC is a resource for more than 700 US companies and government agencies that rely on WBENC's certification as an integral part of their supplier diversity programs. Throughout the year, WBENC and its 14 Regional Partner Organizations provide opportunities for interactions between its member corporations, government agencies and thousands of certified WBEs at business building events and other forums.
